Report of the Event by the coordinator (use extra sheets if needed)

The Central Library (KRC) has organized an extension activity conducted on the Awareness programme on வாசித்தலின் மகத்துவம் அறிவோம் for rural people at Melathediyoar village on 26.08.2022. The permission is approved by the Principal to participate in Four library staff, One faculty and 35 No. of students in this programme. We organized for improving reading habits among rural people. Reading has been the passion of the greatest personalities of all time. Humans have been reading for ages and thus words of knowledge have been passed on through generations. The reading habit influences the promotion of one's personal development in particular and social progress in general. Ninety-seven people were met in this regard. The coordinator Dr C.VINOTH KUMAR M.L.I.Sc., M.Phil., PhD, PGDCA; Librarian has made the necessary arrangements for the smooth conduction of the extension activity. This programme was interesting and successful. We are very thankful to the management of PSN College of Engineering & Technology for giving us this opportunity for the extension activity.

Outcome & Beneficiaries of the Event(use extra sheets if needed)

Report of the Event

The Programme was inaugurated by Shri Vishnu, IAS, District Collector's, Tirunelveli. The Programme was organized by Anna University, Tirunelveli. Totally 45 volunteers from our college has participated in the Thamirabarani River bed at Melaseval. The Programme started at 06.30 a.m. and ended with 9:30 am Near by schools, college students and public also participated.

Outcome & Beneficiaries of the Event

1. Clean, healthy rivers reduce human health risk and improved quality of life.
2. Less trash increase recreational activities along rivers— clean and safe walk and run trails for the community.
3. As recreational activities increases, tourists will be attracted. Thus, affecting both the economy and well-being of the community.
4. As human and industrial waste and garbage add up to the river pollution, each of us can do small things to help clean up our river—and that adds up to the pollution solution.
