Criterion VII - Institutional Values and Best Practices

Key Indicator- 7.1. Institutional Values and Social Responsibilities

Metric No-7.1.8 Describe the Institutional efforts initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

Programme organized for last five years to Institutional efforts initiatives in providing an inclusive environment:

2020-2021	2019-2020	2018-2019	2017-2018	2016-2017
8	8	8	8	8

Response:

PSNCET is committed to establish an instructive climate that connects all to be effective in aiding each understudy get oneself as an exceptional, skilled, and esteemed individual from a diverse community. With this point, the institution is effectively ready to make a culture of incorporation through different occasions and exercises coordinated at the departmental and institutional level. The foundation of additional works in fostering the educators' abilities to establish a comprehensive climate to zero in on instructing and learning capacities so they can set up elevated standards and execute more viable informative practices to limit the accomplishment gap. The foundation also gives different frameworks in infrastructure like ramps, lifts, and learning technologies like ICT tools for pedagogy in the study halls to support the students from all backgrounds to take an interest in the educational environment.

PSN College of Engineering and Technology follows some strategies to create an inclusive environment as,

PRINCIPAL

PSN COLLEGE OF ENGINEERING & TECHNOLOGY

MELATHEDIYOOR, PALAYAMKOTTAI TALUK

TIRUNELVELI - 627 152

Creating an inclusive climate by adopting some activities like,

- Empowering students to discuss contrasts without making decisions
- Encouraging how to keep up with positive connection among individuals of various racial and social foundations
- Considering teachers responsible for showing exclusive requirements for students, everything being equal.
- Conducting various foreign language programmes like Japanese, German, and French.
- Providing required facilities for Divyaang student beneficiaries.
- Celebrating various communal festivals, like, Pongal, Onam, Christmas, and other festivals.

Developing curriculum with communal inclusive such as,

- In the part curriculum development, PSNCET always provide a multicultural environment.
- Continues updating of curriculum to meet the technological challenges.
- Pluralistic inclusion always gives importance for all set of students to improve their educational status.

Adopting teaching styles to promote knowledge for students in their academics and research by,

- The faculties are advised for establishing the concepts with new ideas, technology, and different pedagogy techniques.
- Our faculties are, always take special for individual students for their development, since most of the students from the rural areas.

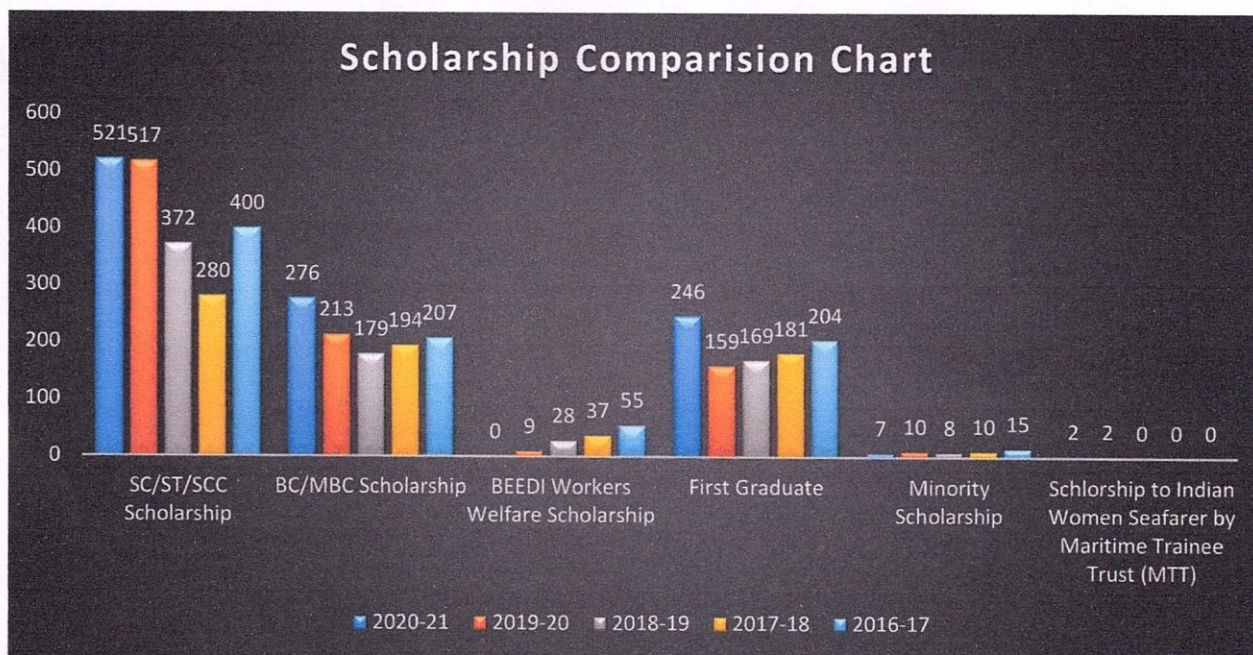

- Instructional strategies followed by our faculties also, doesn't show any conflict towards moral, values, beliefs, and other cultural practices.

Apart from the studies, PSNCET always provides a diverse workgroup for the benefits of the students in their career. Research is one among which improves the productivity of the stakeholders. The stakeholders (students) are trained with strong pool of faculty members to solve efficient decision making and problem-solving skills. The institute currently positioned with faculties coming from all of the corners of the country which promotes rich social,
