### Annual Report for the Academic Year 2020-2021

Internal Quality Assurance Cell (IQAC) Committee Meeting held on 29.03.2021 for even semester, and 11.11. 2020 for the odd semester, to review the academic activities for the academic year 2020-2021.

The summary of the report represents the various activities planned and executed for the academic year 2020-2021, which is given below,

#### 1. Academic Performance:

✓ The overall pass percentage of even semester for the academic year 2020-2021, is reviewed from the end semester examination results published in April 2021.

✓ From the published results, the academic performance of UG and PG programmes were listed in the below table,

UG/PG Programme/Semester	Pass Percentage
UG/2 <sup>nd</sup> Semester	67%
UG/4 <sup>th</sup> Semester	78%
UG/6 <sup>th</sup> Semester	96%
UG/8 <sup>th</sup> Semester	98%
PG/ 2 <sup>nd</sup> Semester	85%

PG/ 4 <sup>th</sup> Semester	82%
------------------------------	-----

- ✓ The published results show that, while compared to the previous semester results, in this even semester, the overall pass percentage of UG courses was increased, but PG courses results were decreased.
- ✓ The principal all the faculties to take the classes through online mode and conduct the examination using MCQ and other evaluation techniques.

## 2. Industry Participation:

- ✓ There are about 22 Guest lectures was conducted with resource persons from various reputed academic institutes and industries.
- ✓ Connection to this, 15 MoU's were signed for the benefit of the students to learn the industrial practices.

- ✓ The events were conducted through online mode for the benefit of the students, with the convenient time available for the industry resource person.

## 3. Research, Consultancy, and Quality Publications:

- ✓ In the academic year 20-21, around 64 Scopus indexed, and impact factor journals were published with the reputed publishers.
- ✓ Department of Mechanical Engineering has been sanctioned with two consultancy projects worth of 25 lakhs.
- ✓ The principal encouraged the faculties to submit the project proposals.

- ✓ Around 45 faculties attended faculty development programme on recent and advanced topics in the research, and pedagogies.
- ✓ Our faculties participated and presented papers in the International Conferences to show their research interest.
- ✓ IQAC coordinator instructed all the faculties must attend two Five Days FDP programme organized by AICTE through reputed institutes.

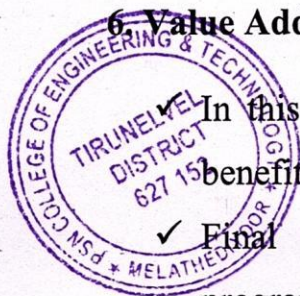

## 5. Infrastructure and ICT Facilities:

- ✓ PSNCET installed with 4K 75 inch interactive boards for 13 classrooms with high-speed internet facility.
- ✓ New books and e-books purchased for the library worth of Rs. 9,21, 568.
- ✓ For the benefit of the research community, IEEE and other online journals are subscribed for Rs. 12,71, 138.

## 6. Value Added Courses/ Other Students Activities Organized:

- ✓ In this academic year, 19 value added courses were conducted for the benefits of the students.

- ✓ Final year coordinators are requested to arrange career guidance programme and GATE, TANCET awareness programmes through online mode.

## Internal Quality Assurance Cell (IQAC)

### Annual Report for the Academic Year 2019-2020

Internal Quality Assurance Cell (IQAC) Committee Meeting held on 25.08.2020, and 24. 01. 2020, to review the academic activities for the academic year 2019-2020.

The summary of the report represents the various activities planned and executed for the academic year 2019-2020, which is given below,

#### 1. Academic Performance:

✓ The overall pass percentage for the academic year 2019-2020, for UG is 74% and PG 82.68%.

✓ The principal and Coordinator IQAC instructed all the faculty members to fix the benchmark of pass percentage not less than 85 % in the individual subjects.

✓ The pass percentage of the courses should be improved by conducting coaching classes, retest for slow learners and encouraging them to register NPTEL courses.

✓ Further it is decided that the quality bench mark for the pass percentage of subjects can be fixed by the Department Advisory Board (DAB). But the pass percentage should not be less than 85% for theory courses and 60% for problematic courses.
