Report of Workshop on how to increase mind power

The programme” Workshop on how to increase mind power” was held on 15th December 2022 in PG block auditorium from 11.00 am to 1.00 pm for all the first year students. The Programme was started by Dr.P. Pichandi, Head, School of Basic Engineering Sciences, by giving welcome address and introduced the chief guest Mr. Narayana Chaithanya from ISKON Tirunelveli.

The chief guest explained that Meditation on Friendliness allows us force away our poor mind and emotions and update them with high-quality ones, ordinarily about ourselves and therefore about all residing beings. Also by Meditation we can focusing on ourselves, without guilt or our ego getting inside the manner, is a necessary and enough condition for a satisfied life. It improves our non-public relationships, as well as our courting with the surroundings we live in. We turn out to be loved, relied on and compassionate people, equipped to assist others if requested, at the same time as retaining our peace of mind.Meditation and mindfulness are top notch practices for scientific college students because they can be finished everywhere at any time.

The programme was ended by giving vote of thanks by Dr. V. Balasubramaniyan, Assistant Professor , Department of Physics, School of Basic Engineering Sciences.
