TIRUNELVELI DIST. - 627 152.

**PSN** College of Engineering and Technology  
An Autonomous Institution, Affiliated to Anna University  
Approved by AICTE, Accredited by NAAC with A+ Grade

### Biogas plant

In biogas plants, biogas is produced by the fermentation of biomass. This is one of the effective ways to produce methane gas from food waste. In our institution, 1m<sup>3</sup> of biogas are installed in the Bharathi hostel from using this facility 1000kg tons of kitchen waste everyday . This power source is helpful to boil some water and hot beverages for the mess workers in the time of working.
