The Specific reasons for not granting the other proposed increase/ variation in intake/ additional courses to the institution are mentioned below:

1. The maximum limit of number of courses/intake for the current year has already been reached.

Note: * The approval for additional course (s)/ increase in intake/ variation in intake is valid for two years from the date of issue of this letter for getting affiliation with respective university and fulfilling State Government requirements of admission.

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built area and faculty should be made available before the commencement of the next academic session.
