**CIRCULAR**

**Sub.: Plagiarism check using Turnitin– reg.,**

The Centre for Research (CFR), Anna University has been conducting plagiarism investigation on the research documents submitted by the scholars/applicants for the approval of synopsis, thesis and supervisor recognition using the Urkund online software tool provided by the Information and Library Network Centre (INFLIBNET) of the UGC.

However, the service provider Urkund suddenly stopped the similarity check services with just a week's notification, which ended on 30<sup>th</sup>Sep. 2023. UGC is currently working with another service provider to reinstate the service provided to the Universities. Hence during the interim period, the Centre for Research will conduct the similarity check using Turnitin software until further notice for the approval of Synopsis and Thesis.

Supervisors who do not have access to any plagiarism software at their institute can avail of a one-time service per scholar at the Centre for Research.
