

PSN College of Engineering and Technology

An Autonomous Institution, Affiliated to Anna University
Approved by AICTE, Accredited by NAAC with A+ Grade

4.1.1 Physical Facilities

PSN College of Engineering and Technology has a beautiful and green landscape, aesthetic architecture, eco-friendly environment, spacious and equipped classrooms, well equipped laboratories, centres of excellence in advanced areas and good infrastructure spread over 26.74 acres.

Classrooms:

The college has well-furnished, spacious and well-ventilated and well illuminated classrooms. Classrooms are well maintained as per the norms for proper visibility and audibility. Adequate furnitures are provided in all class rooms and equipped with blackboard, projectors, fans, lights and power backup. 84% of the classrooms are provided with LCD projectors, LAN / Wi-Fi connectivity. 13 class rooms are equipped with smart boards and video conferencing facility for enhanced teaching - Learning.

Laboratories:

The Institution has well-furnished laboratories and all laboratories have been set up as per the guidelines of AICTE and Anna University. Adequate equipments are provided as per the syllabus to conduct experiments. Laboratories are open to students even beyond the working hours based on the needs. Safety procedures are followed in the laboratories and followed in the strategic location of the laboratories.

Seminar Halls:

The institute has seven seminar halls in the academic blocks with different seating capacities and one auditorium to conduct seminars, conferences, guest lectures, workshops and main events for students and faculty. All seminar halls are equipped with White boards, raised platforms, Public Addressing (PA) system power back up, LCD projectors and internet connection.

Online Teaching Facility:

The institute is having 16 lecture halls equipped with smart digital boards, audio and video systems with internet connectivity for enhanced learning and interactive learning from outside experts from industry and academia. The writing of the teachers on the boards are automatically converted into e content and it is easily distributed to the students via an android application. All NPTEL lecture videos, e – journals and e – books can also be accessed in the lecture halls. These smart boards are being used for conducting QEEE Classes.

Computing Equipment

The institution has 852 computers. Every department has separate computer labs for conducting programming & simulation experiments and to enhance the technical skills of the students. All the teaching staff are provided with Desktops/Laptops with internet/Wi-Fi connectivity.

Knowledge Resource Centre (Library)

The institution recognizes the importance of the KRC as a good learning resource. It is updated regularly with the latest books & journals. KRC provides 24x7 access to faculty, staff and students. The KRC has a floor area of 28316.6 sq. ft (Ground & First) KRC has reprographic facilities. KRC uses Online Public Access Catalogue (Web OPAC) to access KRC facilities and digital library. The digital library has 50 systems with internet facility. E-Journals are subscribed from IEEE, J-gate, Elsevier, Delnet, British council and National digital library of India. E-Books are subscribed from Taylor & Francis, DELNET, and Elsevier. It enables students' remote access to all the subscribed e-resources. 8 newspapers are made available daily (4 Tamil, 3 English & 1 Malayalam). In addition to these journals, the institution subscribed 23 National and 17 International Journals. 10 Magazines are available in the Magazines section. Our KRC has special features for students provide a separate group discussion hall on the first floor.
