Memorandum of Understanding

This Memorandum of Understanding is effective from 06.06.2019 between S. S. Jothi Plastics, Zion Nagar, Pavoorchatram. Here in after called the party of the First Part represented by the First Party.

And

PSN College of Engineering and Technology, Melathediyoar, Tirunelveli. Here in after called the party of the Second Part represented by the Second Party.

1. Preamble

PSN College of Engineering and Technology (PSNCET), Tirunelveli, was established by the PSN Educational and Charitable Trust in the year 2001. The College is located at Melathediyoar, 12km away from Tirunelveli unfolding its grandeur over 27 acres of land. The College exhibits an attractive panorama conducive to education and research due to its serene surroundings covered by last rows green trees at the backdrop of mountains with birds chirping all time. The institution installed with around 900 computers with hardware peripherals in good working conditions. The waste and to be repaired consumer electronics such as Projector, Scanner, Printer, Copier, Hard drives, Keyboards, Mouses are stored in a room for disposal.

S. S. Jothi Plastics, Zion Nagar, Pavoorchatram. The main purpose is to collect the e-waste from the colleges. The increases of information technology revolution around the world increases the usage of electronics. It has also produced growing volumes of obsolete products; e-waste is one of the fastest-growing waste streams. Although e-waste contains complex combinations of highly toxic substances that pose a danger to health and the environment, many of the products also contain recoverable precious materials, making it a different kind of waste compared with traditional municipal waste.
