### Report of the Event

The Department of Mechanical Engineering and Tamilnadu Police Department jointly organized an Extension Activity on Awareness Programme on **Protection of Women's and Children at Tirunelveli** for the school students on 08.07.2022. This programme was initiated by our Principal Dr.V. Manikandan and Head of the Department Dr. M. Vijayakumar, effective educational facilities, good health and mental well-being. Protection against discrimination, desertion and sexual harassment. Control over resources including land and property-related resources. Equal participation in decision-making processes at all levels were explained by the Super indent of Police Thiru.P. Saravanan IPS. Then Cheran Mahadevi Sub-Division DSP Thiru Francis advised our students about good and bad touch and different types of peoples with criminal minds, a mesmerised speech given and that encouraged our girl students. Muneerpallam Inspector of Police Thiru. Praveen explained about the benefits of having good habits followed by girl students and self-defendant contact numbers introduced by Tamilnadu Government. In this activity the rally started from the VOC high ground and make a round around for the public awareness on "girl student protection". In this extension activity 3 staff members Mr.S. Paramasivan, AP, Mech, Dr. K.Arunprasath, AP, Mech, and Mr. P. Matha, AP, Mech mentored about 60 third and final year students who actively participated in this awareness programme. This programme enlightens the girl students and public by created an awareness.

### **Report of National Girl Child day Celebration**

The programme "National Girl Child day Celebration" was held on 24<sup>th</sup> January 2022 through google meet at 3.00 pm for the girl students. The Programme was started by Dr. P. Pichandi, Head, School of Basic Engineering Sciences, by giving welcome address and introduced the chief guest Prof. M. Duraisamy, World Community service center, Coimbatore.

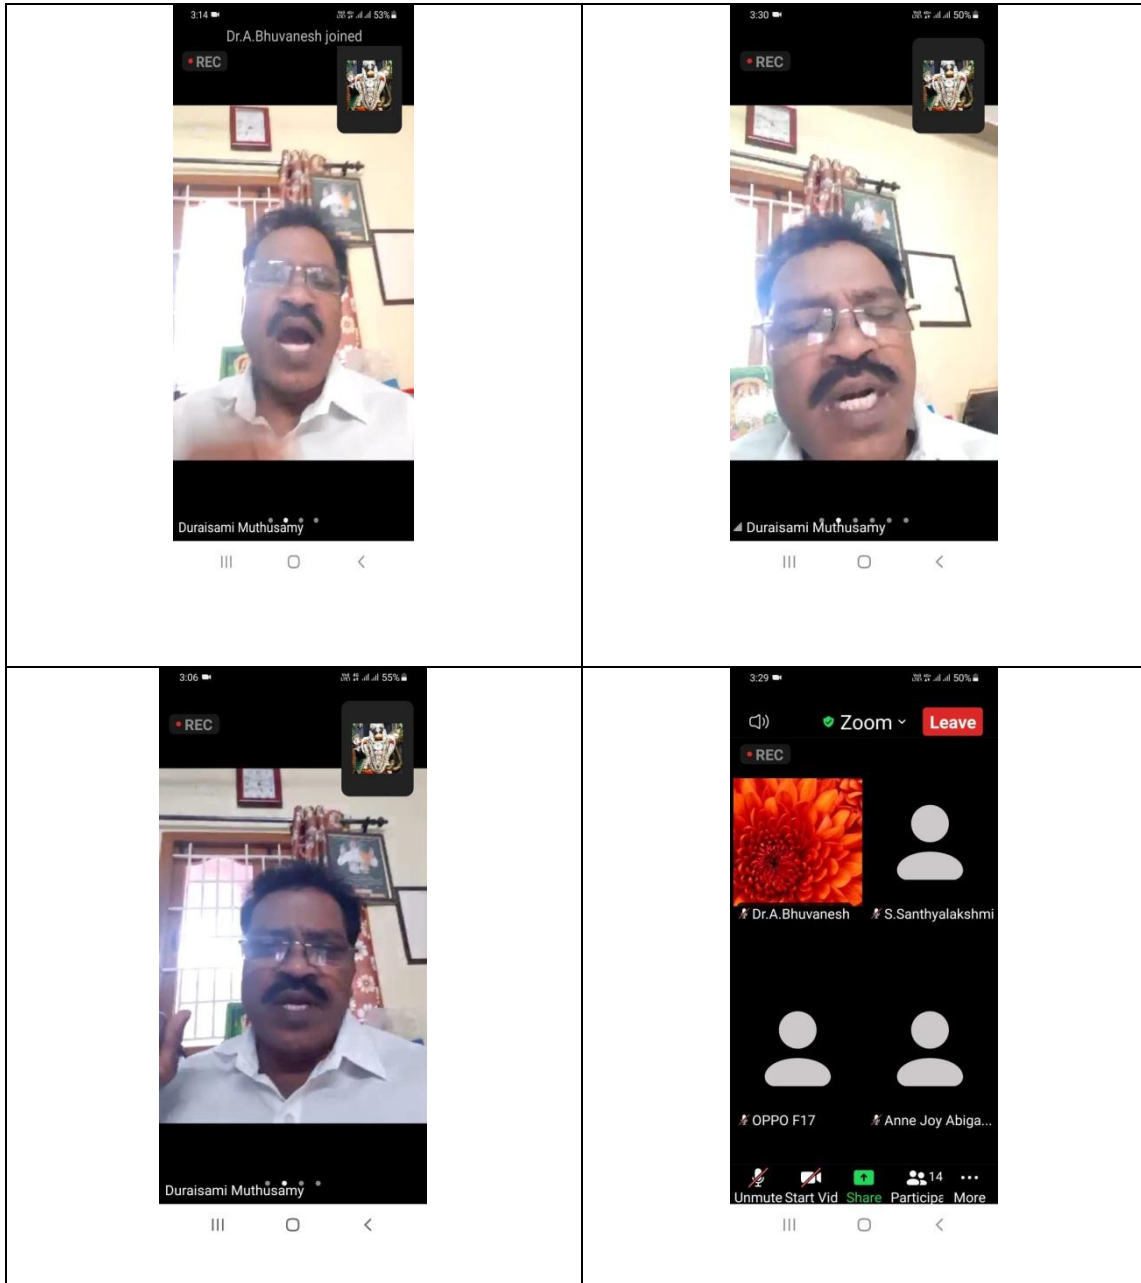

The chief guest explained, "My voice, Our Common Future." 'Digital Generation, Our Generation' was the theme for National Girl Child Day. Taking to Twitter, Union Minister for Women and Child Development, Smriti Irani urged to 'Educate, Encourage, Empower!' girls. The government of India, in 2008, declared January 24 to be celebrated as the National Girl Child Day every year with the objective of raising the consciousness of the society towards the girl child so that she can be valued and respected. Obioma Evelyn Agoziem, said that part of the challenges facing the girl child in Nigeria include gender discrimination, gender-based labour division, female mutilation, early marriage, lack of education and sexual abuse. Some areas in Nigeria are more associated with some of these issues than others. They go to school, help with housework, work in factories, make friends, care for elder and younger family members and prepare themselves to take on the responsibilities of adulthood. Girls play multiple roles in the household, society and the economy.

The programme was ended by giving vote of thanks by Dr. K.Ananthi, Assistant Professor, Department of Mathematics, School of Basic Engineering Sciences.

## Report of Awareness Programme on Women Harassment and Child Labour Act

The programme” Awareness Program on Women Harassment and Child Labour Act” was held on 28<sup>th</sup> December 2021 in MBA seminar hall at 3.30 pm to 4.30 pm for the girl students. The Programme was started by Dr.P. Pichandi, Head , Department of School of Basic Engineering Sciences , by giving welcome address and introduced the chief guest Mrs. Meeral Banu, Inspector of Police .

The chief guest explained about the ‘POCSO act’ that is the Protection of Children from Sexual Offences Act and its benefits . Also she explained today’s cases in police station. She explained in detail about the child line helpline service and its contact number 1098 & 181. Also she discussed with the students about the problems facing by the girl children’s and also about the child marriage. Further she explained about the minimum age for marriage of women is from 18 to 21, because of health benefits. In addition she explained about KAVALAN app and its benefits. She advised the girl students about the usage of mobile phone in a proper way and also the robberies through phone in online and its remedies. Also she explained how to behave in the society and also with strangers. Finally she explained about how to rescue from the problems facing by themselves or to their neighbors.

The programme was ended by giving vote of thanks by Dr. K.Ananthi, Assistant Professor , Department of Mathematics, School of Basic Engineering Sciences.

#### RESOURCE PERSON

Mrs A.Poomagal

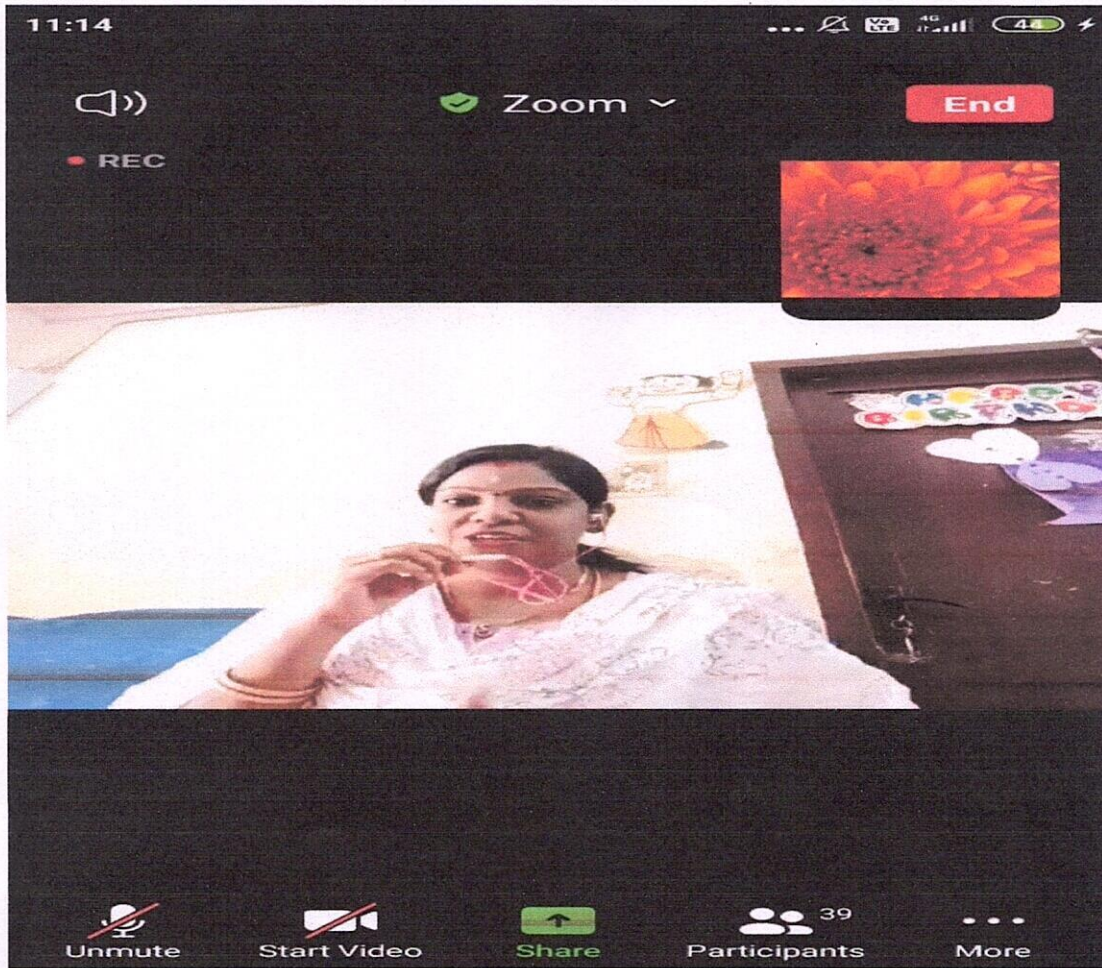

Assistant Professor,

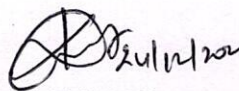

St. Joseph's College of Arts and Science Autonomous – Cuddalore

The department of Aeronautical Engineering conducted seminar on Women Empowerment on 24-12-2021 11 am for the benefit of our girls students and female faculty .Mrs.A.Poomagal, Assistant Professor, St.Joseph College of Arts and Science Cuddalore addressed the students and gave talk on Women empowerment and how the girls should be brave and courage in the present society .She gave much more awareness on Women empowerment and safety measures with quoted real time examples. Around 50 female participants actively participated and got benefitted by her words.
