Subject: Permission for conducting a webinar - Reg.

Respected Sir,

With due respect, I am writing this letter to request you to kindly let us to conduct a webinar on "Intellectual Property Rights and Research Ethics". The programme is to be held on 29.12.2021, 2.00 pm through Google Meet. Mr.A.Senthil Kumar, Examiner of Patents and Designs, Patent Office, Chennai will be the resource person. It will be a great opportunity for the students to attend the webinar as it will be full of knowledge and will help them in the future. Hoping for your favorable response about the matter.

Thank you very much.

Yours truly,

Head of the Department,
Dept. of EEE

25.11.2021

The Department of Mechanical Engineering organized a Webinar on "Science of Nanomaterials: Thinking Big, Working Small" on 24.11.2021, 2:00 pm to 4:00 pm. The webinar was hosted by Dr. K. Aravindhan, Assistant Professor, Department of Mechanical Engineering. The resource person of this webinar was Dr. Beatty Farley, DST-Women Scientist, IIT Madras. The webinar was started with the inaugural address given by Dr. V. Manikandan, Principal, PSNCEET. The Head of the Department Dr. M. Vijayakumar, explained about the applications of nano technology. In the webinar, topics like basics of nano materials, applications, synthesis, physical and chemical methods of nano materials were discussed. In this webinar 40 participants including 7 faculty were attended. From the feedback from the students, they are very much interested in the field of nano materials after attending this webinar.

REPORT OF THE INTERNATIONAL SEMINAR ON "RESEARCH ON DEVELOPING AND SUPPORTING ARTIFICIAL INTELLIGENCE SOLUTIONS FOR HUMANITARIAN INNOVATION"

Department of Computer Science and Engineering in Association with Artificial Intelligence Club Organized an International Seminar on "Research On Developing And Supporting Artificial Intelligence Solutions For Humanitarian Innovation" through online in Zoom platform on 09/04/2022 at 11 AM.

Our Faculty Member J.Yamuna Bee, Assistant Professor welcomed the gathering and Dr.Nallathani introduced the Chief Guest Introduction about Dr.Arosh Lal Karn.

Dr.Arosh Lal Karn, Assistant Professor, School of Management, Northwestern Polytechnical University, China. He explained about the following topics:

1. Introduction I - Speaker
2. Introduction II - NPU(Northwestern Polytechnical University)
3. Introduction III - Project Description
4. Introduction IV - Research Content

The Members of Artificial Intelligence Club (Nearly 75) from Our Department have participated in this International Seminar.

Visions (Institute)

To Provide an academic environment to learn, work and do research meeting the students' four challenges in life with strong ethical values.

Visions (Department)

To create technically qualified world-class professionals with social commitment and to inculcate in them right attitude and holistic values.

The students from II, III Year and IV year of Computer Science and Engineering Department were participated. The meeting ends formally with the Vote of thanks delivered by our Third year student Kishi Sevi.

Fig: Resource Person delivered a lecture on "Research On Developing Aid Supporting Artificial Intelligence Solutions For Humanitarian Innovation"

Value [Institute]

To provide an academic environment to learn, work and do research enabling the students face challenges in life with strong ethical values.

Value [Department]

To create technically qualified world class professionals with social commitment and to inculcate in them right attitude and holistic values.

STATEMENT

The Entrepreneurship Development Cell and ROET students, faculty and students class (BSCET/2017) spend a lot of time in attending to their Entrepreneurship related and related matters in its work. It will not be possible for me to visit the University, Campus to participate. Therefore, I have met Dr. S. Mahapatra, Faculty in person to discuss. The old rules are presented for the sake of faculty who visit students in a school subject, under certain specific time. The time, duration, subject, area and other things will still be as earlier and both students.

This program is aimed to assist in the students to know the importance and the conclusion of their degree. In this program, several other students and faculty members (BSCET/2017) and other subjects will attend the area and enjoy practical class. The program is aimed to know the nature, the important matter, kind of a program to be conducted in doing that Entrepreneurship will study subject to their class teacher and business was important. The program is aimed to provide an idea about to 100 per cent should maintain and to the students.

This program is aimed to assist in the students to know the importance and the conclusion of their degree.

REPORT OF CLOUD ENGINEERING FUNDAMENTALS -CLOUD DISCOVERY DAY

Department of Computer Science and Engineering in association with ICT Academy was organized a webinar on "CLOUD ENGINEERING FUNDAMENTALS - CLOUD DISCOVERY DAY" through Microsoft Teams platform on 05.04.2022 at 11 AM. Mr. Manoj Ramakrishna, Vice President, Business Operation Solutions, The DataTech Lab, Pune was the Chief Guest.

Our Second year student R.ABRAM welcomes the gathering and introduced the Chief Guest. The Chief Guest Mr. Manoj Ramakrishna lightens the students with the valuable comments on CLOUD ENGINEERING FUNDAMENTALS -CLOUD DISCOVERY DAY. He provided the warm introduction and basic elements of cloud Engineering. He enlightened the students about the latest technology of cloud storage called AWS and the awareness to job opportunities in the AWS.

Dr.M.Venugopala, Prof & Head, Dr.C.Mithila, Associate Professor & Coordinator and faculty members have arranged the webinar in a good manner. Around 90 students from III & II CSE, were participated. The meeting ends formally with Vote of thanks delivered by our second year student Shanmugasriya.K.

The overall feedback from our students is "Good".

Vote: [Faculty]

To Provide an academic environment systems, work and to research enabling the students face challenges in life with strong ethical values.

Vote: [Department]

To create technically qualified world-class professionals with social commitment and to inculcate in them right attitude and ethical values.

DEPARTMENT OF MECHANICAL ENGINEERING

Submitted to the Executive Director,
Through: The Principal, PSNCT.

The Department of Mechanical Engineering planning to purchase literature license from Auto Desk Training for the benefit of our Mechanical Engineering students for the annual subscription of Rs. 18000. In this regard, we utilize this license for organizing Value Added Courses for the students. By purchasing this license around 10 courses were suitable for the Mechanical Engineering students. In that, CAD, CAM, Silver solidworks, 4Dwork, Bolt design, welding, engine, HVAC, and Hybrid EV are some of the advanced topics available for the benefit of our students. Kindly, give permission to the purchase this literature license for the next.

18.11.2021

The Department of Mechanical Engineering organized a Seminar on "E- Learning on Advanced Automotive Technologies" on 16.11.2021. In this seminar the inaugural address given by Dr. K. Anugrahaiah, Assistant Professor, Department of Mechanical Engineering. The resource person of this seminar was Mr. Eero Saarnivaara, Vice President, Mobility Advisor at FyLub, Tampere. Dr. Principal, Dr. V. Manikandan give his valuable talk about importance of studying such an online course for Mechanical Engineers. Our Head of the Department Dr. M. Vijayakumar explains about the applications and placements opportunity after studying these Advanced Automotive Courses. In this seminar, topics like basics of automotive technology, applications, chassis, sensors and simulated concepts of advanced technologies were discussed with video visualization for the students. In this seminar about 62 students were attended. From the feedback from the students, they are very much interested in the field of automated technology and they appeared to register and arrange such a training programme in future for their benefit.

Subject: Permission for conducting a seminar - Reg.

Respected Sir,

With due respect, I am writing this letter to request you to kindly let us to conduct a seminar on "Solar Photovoltaic Systems Design and Installation". The programme is to be held on 21.09.2021, 11.00 am at Seminar Hall - EEE. Mr.K.Thirupathi, Managing Director, Quantum Power Systems, Tirunelveli, Tamil Nadu, India is the guest speaker. It will be a great opportunity for the students to attend the seminar as it will be full of knowledge and will help them in the future. Hoping for your favorable response about the matter.

Thank you very much.

Yours truly,

Yes

Report of the event

Name of the event	Seminar on "Solar Photovoltaic System Design and Installation"
Date & Duration	23.09.2021 & 1 Hour
Name(s) of the Resource Person	Mr.K.Thirupathi, Managing Director, Quantum Power Systems, Tiruvelli, Tamil Nadu, India
Name of the event coordinator	Ms.P.Muthulatchi, AP/EEE
No. of Participants	65
Remarks of the event coordinator about the seminar	
<p>Department of Electrical and Electronics Engineering, PSN College of Engineering and Technology organized a seminar on "Solar Photovoltaic System Design and Installation" during 23.09.2021, 11:00 am at Seminar Hall - EEE. The seminar was inaugurated by Dr.A.Sivaraman, HoD/EEE, PNCET. This seminar focused on Grid Connected solar Power Plant, Grid interactive solar power plant, Net Metering Solar Power Plant, Off-Grid / Hybrid solar power plant, Schemes of solar power plant. 65 students attended this seminar. The vote of thanks which was given by Ms.P.Muthulatchi, AP/EEE Assistant Professor - EEE, PNCET. The participants expressed their gratitude to the organizers and the guest speaker for creating awareness on Solar PV systems. The department of Electrical and Electronics Engineering is looking forward to organize future value added courses on solar PV systems.</p>

Invitation for Music Club

Dear Sir,

It is to be seen you that we are going to organize a "Music Club" competition for UG students which is going to be held on 26/09/2021 (Wednesday) 2 pm. We are requesting to inform your department students to participate in the competition. The prizes will be given for first and second places. The participants are requested to confirm their registration by on 29/09/2021 (7:00 pm) with the registration fee.

REPORT OF THE EVENT COORDINATOR

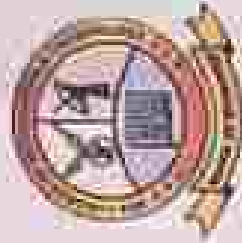

- PSNCEIT Music Club have organized an half day music on-event "Music Competition" for all UG students on 30.09.2021 in MBA Seminar Hall.
- The program was started with the formal inauguration and the resource person is Mr. N. Sathu Pandian, Assistant Professor of MBA, PSNCEIT.
- All students have actively participated and benefited.
- The Music Club members made the arrangements.
- The purpose of the music makes up the difference to our students with maximum throughout facility.
- Our students believe that everyone has a latent ability or skills that they can use to support themselves and to succeed in life.

Subject: Permission for conducting a seminar - Reg.

Respected Sir,

With due respect, I am writing this letter to request you to kindly let us to conduct a seminar on "Solar PV System". The programme is to be held on 07.12.2021, 3.00 pm, at Seminar Hall- EEE, PSN CET. Mr.K.Vel Murugesu, Managing Director, Vel Electronics, Tirukattur, will be the resource person. It will be a great opportunity for the students to attend the seminar as it will be full of knowledge and will help them in the future. Hoping for your favorable response about the matter.

Thank you very much.

Yours truly,

Yes

Subject: Permission for conducting a seminar - Reg.

Respected Sir,

With due respect, I am writing this letter to request you to kindly let us to conduct a seminar on "Importance of Energy Conservation". The programme is to be held on 14.12.2021, 3.00 pm at III - EEE Lecture Hall, PSNCET, Dr. A.Ramaneesh, Assistant Professor, EEE, PSNCET is the resource person. It will be a great opportunity for the students to attend the seminar as it will be full of knowledge and will help them in the future. Hoping for your favorable response about the matter.

Thank you very much.

Yours truly,

Head of the Department,

Resource Person Profile

DR. A. BHUVANESHI received the B.E. degree in Electrical and Electronics Engineering from Anna University in 2012, M.Tech. degree in Power System Engineering from Kalasalingam University in 2014 and Ph.D. degree from Faculty of Electrical Engineering of Anna University in 2019. He has seven years of teaching and research experiences. His research interests are power system planning, Renewable energy sources, optimization techniques and application of nature-inspired algorithms in power systems. Dr. A. Bhuvanesh is now Head of Department of Electrical and Electronics Engineering in PSN College of Engineering and Technology, Tirunelveli, Tamil Nadu, India. He has published more than 35 papers in reputed international journals and 10 papers in international conferences. He is a life time member of International Society for Research and Development, International Association of Engineers.

Remarks of the event coordinator about the seminar	
Department of Electrical and Electronics Engineering, PSN College of Engineering and Technology organized a seminar on "Importance of Energy Conservation" on 14.12.2021 at III - EEE, Lecture Hall, PSNCET. This seminar focused on establishment of a baseline of energy consumption, promoting energy efficiency, energy conservation and alternative fuels etc. The vote of thanks which was given by Ms.V.Jeeha Assistant Professor - EEE, PSNCET. The participants expressed their gratitude to the organizers and the guest speaker for delivering lecture on Energy Conservation. The department of Electrical and Electronics Engineering is looking forward to organize a rally to create awareness in association with Tamil Nadu Electricity Board.

Madhavapur, Tiruvallur - 607 102.

Department of Electrical and Electronics Engineering

Five Days FDP on "Recent trends in Electric Vehicles"

Resource Person Profile

Day 1: 25/7/2022

Dr.D.Prince Winston received his B.E. degree in Electrical and Electronics Engineering from R.V.S CET, Dindigul, in 2006 and his M.E. degree in Power Electronics and Drives from MEPCO Schriek Engineering College, in 2008. He received his Ph.D. degree from Anna University, in 2013. Presently, he is working as Dean Research & Professor in the Department of Electrical and Electronics Engineering at Kamraj College of Engineering and Technology, Madurai, India. He is recognized as top 2% Scientists Worldwide Listed by Elsevier BV, Scinduct University. He is also recognized as top Scientists Worldwide Listed by AD Scientific Index. He has 13 years of teaching experience. He is the Research Supervisor at Anna University Chennai. Under his guidance 4 Ph.D. scholars had completed their research work; currently 11 research scholars are pursuing their Ph.D. He has published more than 60 papers in International Journals listed in SCOPUS/SCISEARCH. He has also published two sole author papers in IEEE Transactions. He has received an award from IEEE Madras Section during the year 2019 & 2020 for publishing papers in IEEE Transaction. He has received young scientist fellowship from TNPST (Government of Tamil Nadu) during the year 2018-19. Currently he is having an ongoing research project funded by AICTE under Research Promotion Scheme. He has filed 7 patents. He had completed 8 consultancy works for various industries. He is the reviewer/editorial board member in various SCI Journals. He has attended more than 35 National / International Conferences and also organized many workshops / conferences / seminars / STTP / FDP. He has published many book chapters / books. He has developed various products for Industries/Institutions. He is serving as DC mentor for many research scholars. His current research interests include Solar PV, Solar Still, Energy conservation in electric motor drives, Power converters, Power quality, and Electric vehicles.

Day 3: 27/7/2022

Dr. P. Ebby Darnay has obtained B.E. in EEE from Manonmaniam Sundaranar University during 2004 and M.E. in Control and Instrumentation from Anna University during 2006. He completed his PhD in 2019 from Anna University. He is currently working for RajaRajeswari College of Engineering, Bangalore. He has more than 16 years of teaching and experience. His area of interests include, Power quality optimization, BLDC motor, Electric Vehicles and Artificial Intelligence. He has published more than 20 research articles indexed by SCOPUS, WEB OF SCIENCE, SCIENCE DIRECT etc. Also have filed 6 patents out of which 3 are published. He is Vice-President for LIPS Research Foundation. He is an approved supervisor for European International University, France. He is also an advisory member of Aerojet Pvt limited and Review member for 4 International journals. He is a life member in IEEE, ISTE and IASRD.

Report of the event

Name of the event	Five Days on "Recent Trends in Electric Vehicles"
Date & Duration	25/07/2022 to 29/07/2022 & 5 Days
Name(s) of the Resource Person	Dr.D.Prince Winston, Professor, Ramona College of Engineering and Technology, Dr.Rajasekaran, Professor, PNN College of Engineering and Technology, Dr.P.Siby Denny, Professor, RajaRajeswari College of Engineering and Technology, Dr.M.Karuppusamy Pandian, Assistant Professor, Kalasalingam University, Ms.A.Siby Pradeepa, Assistant Professor, PNN College of Engineering and Technology.
Name of the event coordinator	Ms.A.Siby Pradeepa AREEE
No. of Participants	100
Remarks of the event coordinator about the FDP	
<p>Department of Electrical and Electronics Engineering, PNN College of Engineering and Technology organized Five Days FDP on "Recent Trends in Electric Vehicles" from 25/07/2022 to 29/07/2022 through Zoom Meeting. The FDP was inaugurated by Dr.V.Manikandan, Principal, PNN College of Engineering and Technology, Tirunelveli. 100 participants from various institutions have participated in this FDP. The program has covered the topics such as the components of Electric Vehicle, Comparison with Internal combustion Engine Technology, Comparison with Internal combustion Engine: Benefits and Challenges, EV classification and their identification levels, EV Terminology etc. The vote of thanks was delivered by Ms.A.Siby Pradeepa, AREEE, PNN College of Engineering and Technology, Tirunelveli. The department of Electrical and Electronics Engineering is looking forward to organize similar AICTE sponsored FDP on recent trends in electrical engineering.</p>

Submitted to Principal,

This is to inform you that our Computer Science and Engineering department has planned to conduct Five days Faculty Development Program on "Cloud Computing" from 18-07-2022 to 22-07-2022 through Online mode (Zooms Platform). Resource persons are from various reputed institutions and industries. In this regard we need Rs. 15,000/- (Rupees fifteen thousand only) for their remuneration.

Kindly give permission to conduct the Faculty Development Programme successfully.

Report of the Event

Title of the Event	Faculty Development Program on Cloud Computing
Date & Time	18.07.2022 to 23.07.2022
Name(s) of the Resource Persons	Mr Saravina Kumar Chief Executive Officer, Iconix Software solutions, Tirunelveli, Dr.K.Jeyakumar, Associate Professor, School of Computer and Engineering, VIT, Vellore. Dr. Deidish David D, Professor, Saveetha School of Engineering, Chennai Mr Saravina Kumar Chief Executive Officer, Iconix Software solutions, Tirunelveli Dr.H.Palanikumar, Professor, PSR Engineering College
Name of the Event Coordinator	Mr J Yathima Bee, Assistant Professor, PSN College of Engineering and Technology
No. of Participants	02
Event Outcomes	
Upon the completion of this course, the Faculty members will able to	
<ul style="list-style-type: none"> Design a System, Component or Process as per needs and Specifications. 	
Remarks of the Coordinator about the Event	
A Five days FDP was organized by the Department of Computer Science and Engineering from 18-07-2022 to 23.07-2022. Mr.J. Yathima Bee, Assistant Professor/CSE was the event coordinator and Mr.Saravina Kumar Chief Executive Officer, Iconix Software solutions, Tirunelveli, Dr.K.Jeyakumar, Associate Professor, School of Computer and Engineering, VIT, Vellore, Dr.Deidish David D, Professor, Saveetha School of Engineering, Chennai, Dr.H.Palanikumar, Professor, PSR Engineering College, are the resource persons of this Five day FDP. However 02 faculty members were participated, benefited and received their participant Certificates. The objective of the workshop was to provide the basic knowledge of Design a System, Component or Process as per needs and specifications. Faculty members were impressed about the way and speaker delivered.

Report of the Event

The Department of Mechanical Engineering Mechanical Engineering Organized a One Day Workshop on 3D Printing. This programme was initiated by our Principal Dr. V. Manikandan and Head of the Department Dr. M. Vijayarajan. 3D printing or additive manufacturing is the construction of a three-dimensional object from a CAD model or a digital 3D model. It can be done in a variety of processes in which material is deposited, joined or solidified under computer control, with material being added together. This workshop was planned with the discussion about the principle, working, and types of the 3D printing machines and technology available. The introduction section and machine calibration done by Dr. K. Anugnanth, AP Mech. Design and drafting using Tinker CAD was explained by Mr.S. Prasanna, AP, Mech. In this one-day programme around 23 faculty members from N&A, Aero, Civil, were attended and they give very good feedback about the programme. The faculties are wished to organize this type of latest technology programme for the faculties. And this end with a tea and fruitful memories.

FEEDBACK FORM

Date: 25.08.2022

Venue: Additive Manufacturing Laboratory

Event Name: One day Workshop on "3D Printing"

Organized by: Department of Mechanical Engineering, PSNCET

Please indicate the extent to which you agree with the following statements

No	Statements	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1	Information provided at this event is relevant to you					✓
2	You are likely to use this information in the future					✓
3	Resources provided at this event are relevant to you				✓	
4	Presentations were interesting				✓	
5	You would recommend this event to others				✓	
6	Overall, the event was worthwhile				✓	
7	The venue was suitable					✓
8	Refreshments were suitable				✓	

09. What are the two most useful things you got out of the event?

About the material used in 3D printing.
 How to operate a printer for 3D printing

10. How could the event be improved?

Providing free waste material

11. Other comments

Very much useful for myself

Sub: Permission to organize one day workshop on "Computational Fluid Dynamics" on

24.08.2022-Reg

Respected Sir,

We are planning to organize a one day workshop on "Computational Fluid Dynamics" for the faculty from engineering colleges on 24.08.2022 (08.30 am - 04.30 pm).

Content of the Workshop:

- ◆ Basics of computational fluid dynamics
- ◆ Governing equations of fluid dynamics
- ◆ Continuity, Momentum and Energy equations. Conditions
- ◆ Chemical species transport
- ◆ Physical boundary condition
- ◆ Derivation of finite difference equations
- ◆ General Methods for first and second order accuracy
- ◆ Finite volume formulation for steady state
- ◆ Parabolic equations
- ◆ Explicit and Implicit schemes
- ◆ Hands on training on Computational Fluid Dynamics by using Ansys-Fluent

ABOUT THE INSTITUTION

An alumni of engineers, a pioneer of gears, it was this diverse creative enterprise that made a tradition, about the world of engineering, PSK College of Engineering and Technology, an institution. The institution was founded in 2001 with the sole purpose of providing quality education and research that is truly innovative and affordable. From the year 2005, the college introduced an program of research in areas of control and robotic technologies and robotics. Presently the college offers B.Tech. courses in engineering including MCA and MBA and B.Ed. programs. The College is located at 15, 16th main Road, Thiruvalluvar Nagar, the well-known Perambur, the village is famous for its temples. The institution is spread over an area of about 200 Acres and scattered around the area with its spacious laboratories and fully equipped for its research projects, research including and industrial training.

ABOUT THE DEPARTMENT

The department was established in 2005. The department has students lab facilities with state of the art equipment and it has highly qualified, experienced and motivated faculty members. The department gives importance not only to academic education but also to research and industrial training. The students of Aeronautical Department regularly engage in various technical and extracurricular events. The department gives research training program towards the placement of the students with world famous leading firms and also providing them an experience in Computational Fluid Dynamics.

Computational fluid dynamics

Computational fluid dynamics (CFD) is a branch of fluid mechanics that uses numerical analysis and data structures to approximate and solve problems that involve fluid flows. Computers are used to perform the calculations required to simulate the interaction of fluids with various surfaces of the base (solids and gases) with surfaces defined by boundary conditions. Output results, fields, and/or data are represented numerically, and used to complete simulation scenarios such as motions or turbulent flows. These calculations of flow, whether it is steady, turbulent, and/or compressible, require significant computational resources and analysis. Incompressible fluid flows and heat transfer, engine and combustion analysis, and aircraft design are the main uses.

TOPICS

- **Navier-Stokes equations** (with pressure)
- **Governing equations of fluid dynamics** (with pressure)
- **Conservation, Mass, momentum and energy** (with pressure)
- **Boundary conditions**
- **Discretization techniques**
- **Physical boundary conditions**
- **Importance of turbulence in computational**
- **General Methods for CFD and related edge stability**
- **Tools and software for steady state**
- **Unsteady equations**
- **Explicit and implicit schemes**

One Day Workshop on Computational Fluid Dynamics

The one day workshop on Computational Fluid Dynamics is conducted on 26.08.2022. In this event 25 faculties from various departments such as Mechanical, Aeronautical and Electrical department faculties from PSN CET are actively participated. The basics, tools and applications of CFD in the Aeronautical and Mechanical areas are explained by the resource person Mr. A. Pachai Antony Anilan Asst.Prof/Aero. The second session was conducted in same day 26.08.2022 A.N, in this session hands on training on CFD software was given to all the participants. This one day workshop is mainly helpful to enhance the employability and innovative in new trends.

Report of the Event Conducted

Title of the Event	One day workshop on Computational Fluid Dynamics
Date & Time	26.08.2022, 8:40am to 4:30 pm
Name(s) of the Resource Persons	Mr. A. Puckle Antony Amalan Assistant Professor, Department of Aeronautical Engineering, PSN College of Engineering and Technology -Tranvelkudi
Name of the Event Coordinator	Dr.P.Vivaranthinnam, Assistant professor /Aeronautical
No. of Participants	25
Event Outcomes	
Upon completion of this workshop, the Faculty members will be able to understand the basic concepts in Computational Fluid Dynamics, Applications of governing equations in real-time applications, Finite Element Method and Finite Difference Method. Faculty members can analyze flow at various boundary conditions with different geometry.	
Remarks of the Coordinator about the Event	
A One day workshop was organized in the department of Aeronautical Engineering on 26.08.2022, 8:40am to 4:30 pm, where Dr.P.Vivaranthinnam, Assistant Professor/Aeronautical Engineering was the event coordinator and Mr. Mr. A. Puckle Antony Amalan, Professor, Department of Aeronautical Engineering, PSN College of Engineering and Technology, Tranvelkudi was the resource person of the one day workshop. However 25 Faculty members were participated and received their participant certificates. The objective of the workshop was to provide Basics of computational fluid dynamics, Governing equations of fluid dynamics Continuity, Momentum and Energy equations conditions, Chemical species transport, Physical boundary condition, Derivation of finite difference equations, General Methods for first and second order accuracy, Finite volume formulation for steady state, Parabolic equations, Explicit and implicit schemes, Hands on training on Computational Fluid Dynamics by using Ansys-Fluent, acknowledged his cognitive level knowledge, comprehension, application, analysis, synthesis, and evaluation, with specialization moving from basic knowledge-recall skills to the highest. Faculty members were impressed about the preparation and training.
