Report of Activity/ Event Conducted

Event Organised by	School of Basic Engineering and Sciences
Title of the Event	Induction Programme for First Year
Date & Duration	04.09.2023 – 15.09.2023 (Two weeks)
Participants	First year UG students

The Induction programme was conducted by School of Basic Engineering and Sciences of PSN College of Engineering and Technology from 04.09.2023 – 15.09.2023.

The programme was planned as per the syllabi of Anna University for the first year students of 2023-2027. The programme consisting of Goal setting, General Ethics, Self-discipline, Self-motivation, Creative Arts, Aptitude, Anti-ragging awareness etc., has been delivered by the various experts.

Dr. V. Manikandan, Principal, PSNCET has delivered the topic on the general ethics. He explained the general ethics in a broader sense, ethics reflects on human beings and their interaction with nature and with other humans, on freedom, on responsibility and on justice. From his lecture students got benefitted by knowing the principles of general ethics and able to apply his/her life.

Dr. S.P. Umayal, Dean Academics delivered a speech on “Goal Setting”. She emphasised the importance of having a clear vision for one’s engineering careers and a well-defined goals that provides a roadmap for success.

Mrs. Preethi, Incubatee talked about the innovation and its opportunities available in our college. She delved into the exciting realm of innovation and myriad opportunities present for aspiring engineering students. Mr. Vinoth, Incubatee delivered a speech on Business Incubation. He explored the vast landscape of business innovation opportunities that lies which he brings a positive impact on a global scale.

Dr. Bhuvanesh, Ass.Prof/ EEE gave a speech on ‘Implant training and Internship’ which he emphasized the importance of practical exposure and real-world experience in shaping the skills and knowledge of future engineers.

Shri Ram Foundation Tirunelveli, Conducted the Yoga Program. They engaged the students in various poses and relaxation techniques which provided guidance on mindfulness and

breathing techniques. Students expressed satisfaction highlighting the positive impact on their physical and mental health.

Mr. Suresh, PD/ PSNCET, gave a speech on Self-discipline and need of physical activities. He emphasized the importance of time management, setting priorities and staying focused on academic goals. He insisted the significance of incorporating physical activities into their routines.

Dr. Sakthi Murugan, Professor/CSE, delivered a speech on Spoken Tutorial aiming at engineering students' enhancement through accessible and informative content. He encouraged the active participation through question and answer session promoting engagement and understanding which reinforce key concepts.

Dr. P.Pitchandi, Coordinator/SOBES gave a speech on Self Employment and anti-ragging awareness. He aims to shed light on the prospects and challenges of self-employment in the field of engineering. His lecture has created awareness about ragging & ensures a student-friendly environment at all times in the college campus. He has also explained about the duty of the Anti-Ragging Committee as well as the provisions of law concerning ragging in the institution.

Dr. M. Vargeesh, HoD/CSE, delivered a speech on Stress Management. His speech highlighted the correlation between the mental well-being and effective learning.

Dr. Rathika, ASS.Pro/ ECE, gave an importance about higher education abroad. His speech emphasized the importance of global outlook in the engineering field and in the enhancement of problem-solving skills.

Dr.S. Kumaresan, Senior Professor/SOBES, Dr. Rajesh, HoD/ECE, Mr. Ramesh, HoD/Civil, Pro.Ramkumar, HoD/MAE, Dr.Antony Arockiyaraj Amalan, HoD/Aero, Dr. Muruganantham, Asso.Prof./Marine gave their Motivational Talk to the students. Their speech encouraged the students to reflect on their intrinsic motivations and passion for their field.

Prof. Sundararajan, Hod/MBA, gave a speech on 'Professional Ethics'. His speech insisted the critical importance of professional ethics urging the students to uphold the highest standards of integrity throughout their academic and future professional careers.

Ms. S. Aasha, AP/ English, and Ms. A. Manicka Vasuki, AP/English, gave a speech on Language Proficiency and Creative Arts. Their speech highlighted English as the predominant language in international engineering communities, the role of language in building professional networks and technical communication. They embraced the creative arts as a catalyst which leads to innovative solutions in engineering projects.

Ms. Selva Lakshmi, AP/Maths, & Ms. Selvarethna, AP/Maths, Mrs. Vishma George, AP/Maths, Mr. R. Anbarasan, AP/Maths delivered the aptitude class. They emphasized the role of

aptitude tests in entrance exams, placements and career assessments. The provided strategies for quick an accurate problem-solving, significance of logical reasoning, the skills for studying mathematics such as Critical thinking, problem solving, analytical thinking, quantitative reasoning, ability to manipulate precise and intricate ideas.

Mrs. Yamuna Bee and Mrs. Kanaga Lakshmi, AP/CSE, engaged a students in computer lab which explored the level of engagement among engineering students in computer lab aiming to access the effectiveness of facilities in promoting learning, collaboration and practical application of theoretical concepts.

Dr. A.M. Shanawaz, Dean/MAE, has delivered lecture on the topic keys to academic success. He insisted some strategies for success such as adapt for study habits, to learn anything to perform in line with their goals, time management and etc. From his lecture students were got motivated and benefitted.

Dr. K. Chandra Sekar, Professor/Aero, gave a speech on the steps outside of your comfort zone. He discussed the advantages of stepping outside the comfort zone including the personal development, expanded skillsets and increased resilience. He encouraged the students to analyse the potential risks and rewards to overcome the career growth.

The students gained knowledge and inspiration from the programme. The induction programme ends with aptitude, language proficiency test and feedback session.
